

**Abstract Submission for “2<sup>nd</sup> Physics Postgraduate Students Meeting”  
(1-3 March 2017, Uam-Iztapalapa, Mexico City)**

**Contact details of the presenting /corresponding author:**

Second Name:

First Name:

Academic level:

Educational background:

Institution:

Email Address:

Telephone Number:

Do you prefer oral or poster session?

**Copyright Statement:**

With the submission of this abstract, the authors agree that the abstract may be used by the organizers to prepare the Book of Abstracts for the conference. The author herewith declares on behalf of all co-authors that the submitted abstract is not subject to any copyright issues.

**About talk and poster session:**

PhD students will be given preference in oral sessions, while master's and undergraduate's students will have preference for poster session, but not necessarily. Availability of places depends on the preference and demand of participants and also to the early registration. We will have printing support for the first 20 posters.

**Please scroll down for a sample abstract on the following page.**

**Note: The length of the abstract should not exceed one page.**

**This is the Style Guide for your Abstract**  
**(title is bold, 14-point type, centered, with capitals)**

**X. Author<sup>1</sup>, Y. Author<sup>1</sup>, Z. Author<sup>2</sup> (Author name(s) [11-point type, bold, centered])**

*Authors' affiliation and full address (9-point type, centered, italics)*

*Corresponding Author's e-mail address and URL: (9-point type, centered, italics)*

**KEY WORDS:** Force measurement, vortices, live cells, holographic optical tweezers,

Insert the text of your abstract here. The abstract including title, figure, references, etc. must not exceed one page. Use Letter paper format. Set all margins (left, right, top, bottom) to 25 mm. The text should be written in a 12 pt Times New Roman font.

Except for the first, new paragraphs should start with an indent. References should be cited in "footnote fashion" using a superscript<sup>1,2</sup>. The references should be typed in a 10-point Times New Roman font in the format used below.

Please include one figure highlighting your contribution.

The figure caption should be typed in a 10 pt font size, it is centered.

Save and submit your contribution as a **PDF**-file!
